

## Appendix A

### **Semi-structured Interview Guide**

#### **Structured Activities**

- What are the places that are part of your everyday activities? (Volunteer somewhere? Work? Summer school)?
- How often? Everyday? Weekly?
- How do you usually go there? (Alone? with family? With friends?)
- How long does it take you to get there?
- What do you do there? (hangout, play, work, study, volunteer, learn something)
- Who are you usually traveling with?
- How do you spend your time while in the car/bus/transit?
- Do you prefer travelling in another way? How? Why?
- Are there restrictions by your family on these trips? (time of day/ mode/ companions)
- What are some places you would like to go to afterschool, but you don't? why not?

#### **Experiences and Perceptions**

- What is your favourite part about your school/afterschool travel time? Why?
- What is your least favourite part about your school/ afterschool travel time? Why?

#### **Experiences and Perception Cont'd (Supported with participant's photos)**

- Where were these photos taken?
- What do these photos show? What was interesting about them?
- What are the problems with places/environments in your photo? What do you dislike?
- Looking at the photos of the places you dislike, what would be things you introduce to these places to make them better?
